

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2001 Senate Bill 344	Senate Substitute Amendment 1
Memo published: March 8, 2002 Contact: Russ Whitesel, Senior Staff Attorney (266-0922)	

2001 Senate Bill 344 relates to the development of a tribal logo for notification of state grants funded by Indian gaming receipts.

ORIGINAL BILL

Senate Bill 344, as originally drafted, required the Robert M. La Follette Institute of Public Affairs at the University of Wisconsin-Madison, in consultation with American Indian tribes and bands in Wisconsin, to develop a representative tribal logo for use on state notifications of grants funded by Indian gaming receipts and a plan to implement use of the logo and to submit the logo and plan to the Joint Committee on Finance for approval.

SUBSTITUTE AMENDMENT

Senate Substitute Amendment 1 requires the Secretary of the Department of Administration (instead of the LaFollette Institute), in consultation with the Great Lakes Inter Tribal Council, Inc., to develop a tribal logo for use on state notifications of grants funded by Indian gaming receipts and a plan to implement use of the logo and to submit Indian gaming receipts and a plan to implement use of the logo. The Secretary of Administration is also directed to submit the logo and plan to the Joint Committee on Finance for approval. As in the original bill, the logo would also be submitted to the governing body of each federally recognized American Indian tribe and band in this state. As in the original bill, if the co-chairs of the Joint Committee on Finance do not notify the Secretary of Administration that the committee has scheduled a meeting to review the logo and the plan within 14 working days after the date of submission, use of the logo may, upon approval of the governing body of each tribe and band, be implemented as proposed in the plan. If, within 14 working days after the date of submission, the co-chairs of this committee notify the Secretary of Administration that the committee has scheduled a meeting for the purpose of reviewing the logo and plan, use of the logo may be implemented only upon approval of the committee and the governing body of each tribe and band. This

review provision is identical to the original legislation except for the substitution of the Secretary of the Department of Administration in place of the La Follette Institute.

COMMITTEE VOTE

The Senate Committee on Universities, Housing, and Government Operations, in an executive session held March 7, 2001, voted to introduce and adopt Senate Substitute Amendment 1 and recommended passage of the bill, as amended on votes of Ayes, 7; Noes, 0.
